**DECLARATION OF LINDSAY SINGLETARY**

I, Lindsay Singletary, declare as follows:

1. I am a third year law student at Cumberland School of Law at Samford University and a clerk for Bradley Arant Boult Cummings LLP ("BABC"), which represents Defendant American Home Shield Corporation in this case. This declaration is based upon my personal knowledge.
2. On March 9, 2010, I organized and counted a total of fifteen hundred and sixteen (1,517) exclusion request documents. In making this tally, I reviewed both exclusion requests received by BABC, as well as those received by the Clerk of Court for the Northern District of Alabama.
3. This number is lower than the one reported in my prior declaration in this matter on February 26, 2010 (1,543) because multiple listings of individual policy holders have been reduced to one per policyholder. I organized the documents into three categories: 1) Proper Exclusion Requests, 2) Late Documents, and 3) Potential Requests.

DEFT EXHIBIT NO. 4

4. In the first category, Proper Exclusion Requests, I included all requests that either used the Exclusion Form provided or specifically requested exclusion. All documents in this category were received before the deadline on February 8, 2010. There are thus a total of fourteen hundred and forty-nine (1,449) Proper Exclusion Requests.
5. In the second category, Late Documents, I included all Exclusion Requests and other documents received after the February 8, 2010 deadline. I included documents that specifically requested exclusion, documents that made no request, and documents that requested inclusion in the class. There are a total of thirty-six (36) Late Documents. This number is larger than the number reported in my declaration on February 26, 2010, because we have continued to receive late Exclusion Requests and other documents.
6. In the third category, Potential Requests, I included all timely documents that did not either (a) use the Exclusion Request form or (b) otherwise specifically request exclusion. There are a total of thirty-two (32) Potential Requests. Of the 32 received, seven (7) specifically request to be included in the class.

I declare under penalty of perjury pursuant to the laws of the State of Alabama and the United States that the foregoing is true and correct to the best of my knowledge.

Executed on March 9, 2010.
